

MEPNN Supplier Scouting Opportunity Synopsis

Section 1: General Information

Scouting Number	2025-094
Item to be Scouted	Compostable Paper Sandwich Bag
Days to be scouted	30
Response Due By	05/09/2025
Description	This item is a compostable paper sandwich bag featuring a compostable pressure-sensitive adhesive for closure and dispensing capability. It is intended as an alternative to plastic bags for food storage.

Section 2: Technical Information

Type of supplier being sought	Manufacturer
Reason	New product startup
Describe the manufacturing processes (elaborate to provide as much detail as possible)	Once the bags are formed, the adhesive strip can be applied. The bags will then be stacked with the adhesive facing down in an alternating pattern. Additional information and drawings are available upon request and with a signed NDA.
Provide dimensions / size / tolerances / performance specifications for the item	The dimensions are approximately 6" x 9" (width x length) with an approximate 1" gusset. The bags are standard flat and satchel bags with a pressure-sensitive adhesive strip located on the topmost 1/2" to 1" of the bag, spanning the entire width and stopping approximately 1/2" from each edge.
List required materials needed to make the product, including materials of product components	This item will require a standard flat and satchel-style paper sandwich bag and compostable pressure-sensitive adhesive
Are there applicable certification requirements?	No
Are there applicable regulations?	No
Are there any other standards, requirements, etc.?	Yes
Details	The item must be food-safe and compostable. Ideally, it should have Forest Stewardship Council (FSC) certification, but this is not necessary.
Additional Technical Comments	

Section 4: Business Information

Estimated potential business volume	50,000 bags for the initial order.
Estimated target price / unit cost information (if unavailable explain)	~\$0.08 per bag
When is it needed by?	As soon as possible.
Describe packaging requirements	The bags should then be stacked in increments of 50, with the adhesive facing down in an alternating pattern. Delivered undamaged. Specifics discussed in negotiation.
Where will this item be shipped?	Narragansett, RI 02882

Additional Comments
