Key product information:

See attached specs

Companies contacted:

(In order to reduce duplication of efforts, provide information about any contacts made and the responses received, including information for the non-compliant product(s) identified): They consulted with 3 local plumbing suppliers who then consulted with manufacturers of products that they represent to source BABAA compliant fixtures without success. From discussions with their suppliers, ALL porcelain/china fixtures are made in Mexico, Indonesia, or China.

1. Kohler
2. Gerber
3. Mansfield
4. American Standard.
5. Watts
6. Wilkins

Additional notes:

[Notes may include any relevant information researchers may find useful. May include total project and materials costs (can assume materials are 50% of total) and whether items may be considered de minimis.]
