DOD SUPPLY CHAIN RISK MANAGEMENT SOLUTIONS WEBINAR

Stop being held hostage by your supply chain!

A practical application of the NIST 800-161 controls

1 Do you know who your suppliers' suppliers are?

2 Are you looking to expand your presence as a supplier in the government or defense market?

3 Do you know which DFARS regulations apply to the DoD supply chain and what they mean to you?

4 Are you concerned about unknown risks in your supply chain?

If any of these questions apply to you, register for this **FREE** interactive webinar

WHAT WILL YOU LEARN AT THE WEBINAR

- What Threats and Vulnerabilities affect the DoD Supply Chain
- How to illuminate your supply chain beyond the first tier
- How NIST 800-161 will affect the way you do business
- Compliant and affordable options to ensure a resilient Supply Chain

WHAT'S ON THE AGENDA?

- A comprehensive overview of Supply Chain Risk Management requirements and the capabilities needed to meet them
- An introduction to the latest tools for identifying risk
- An opportunity to consult with a Supply Chain Risk Management thought leader

WHO SHOULD ATTEND

This webinar is specifically geared towards C-Suite, procurement and compliance professionals

WHAT IS THE COST TO ATTEND

This webinar is free to attend!
